

Arriving at the airport:

You will arrive at the Airport of Napoli called “Capodichino”. Outside the terminal you will find taxis and busses for going to the harbours of Naples. Transportation to Capri is available either from the port of Mergellina or Molo Beverello; however, it is much more convenient to depart from Molo Beverello because of the greater frequency of departures and larger selection of ferries and hydrofoils and furthermore Mergellina can only be reached by taxi. The last trip to Capri leaves Naples at 21:10 so in case you plan to arrive in Naples in the evening, you might need to stay overnight and proceed for Capri the morning after (the first ferry leaves at 5:30).

Taxi:

The taxi fare from the airport to

- Molo Beverello Port is about € 25,00. Travel time, depending on the traffic, is about 30-40 min.
- Mergellina Port is about € 30,00 and the trip takes about 40-50 minutes under normal traffic conditions.

It is important to ask the driver to use the meter and to pay only what is shown on the taxi meter. You pay a surplus of € 0,50 for each piece of luggage plus € 2,60 as an airport supplement.

Bus:

In front of the arrival terminal you will find the bus stops for going to Beverello Harbour.

- Alibus

The tourist bus is named Alibus and along its route it makes only two stops: at the Railway Station of Naples Central and the last stop in front of the harbour of Molo Beverello. This stop is called “Stazione Marittima”. The bus leaves every 30 minutes from 6:30 to 23:30. The ticket costs € 3,00 and it is possible to buy it on the bus from the driver. The trip takes about 30-40 minutes under normal traffic conditions.

- 3S

This city line rides more frequently but has more stops than the Alibus on its way to the harbour. This bus runs from 6:00 to 23:00, leaves every 10 minutes and costs € 1,00. It is not possible to buy the ticket on the bus but it is for sale inside the airport. The bus makes all the normal stops along its route. It passes near the harbour, where you get off at the stop “Piazza Municipio” for the Molo Beverello.

From Napoli to Capri:

There are two harbours from where you can go to Capri:

- Molo Beverello: both traghetto (ferry) and Aliscafo (hydrofoil)
- Molo Mergellina: Aliscafo only

Aliscafo is much faster and takes about 40 minutes while the traghetto needs ca. 80 minutes. The ferry costs € 5,60 while the hydrofoil costs € 12,00.

Please make your choice of Harbour according to your arrival time at the airport. The schedule changes frequently so be sure to check the departure time of ferries at:

and make a printout before you leave, so you can decide on the spot.
